

FAIRY TALE STEM

BUILDING/TRANSPORTATION ENRICHMENT

MATERIALS NEEDED:

DESK FAN

SMALL STACKABLE ITEMS

SUGGESTED MATERIALS

TOOTHPICKS

COTTON SWABS

STICK PRETZELS

STRAWS

Give them the supplies and let them work alone or in groups.

When a group wants to test their structure, set up the fan 3-5 ft. away. Begin with the fan on its lightest setting, and increase the windspeed as needed.

Did any of the structures hold up? Which materials were used?

What building techniques were used?
