

IMPORTANT DATES

12/7: Tuition Due
12/18-12/31:
No School/No CAS
WINTER BREAK

FAMILY FUN

With so many events being canceled due to Covid, this is the perfect year to take walks through your neighborhood to enjoy the decorations your neighbors have on display! For a special night, consider hopping in the car to check out a different neighborhood too! **Wildlights** at the Zoo will be open Nov 20 – Jan 3, however, reservations are required for everyone, including members. Walk-ups are not permitted. Reservations can be made online.

DECEMBER NEWS 2020

SAFETY & DEVELOPMENT

Whether schools are remote or hybrid, Care After School is working hard to give your children the best possible experience. We're sure you've noticed the sanitizing bins that have become the centerpieces of our tables, but did you realize that we also have some great ways to keep our minds healthy. Our activities offer opportunities for a variety of interests. Whether it's music, science, drama, engineering, literacy, or math, CAS has you covered! Did you know every monthly calendar offers at least one activity in *all* these enrichment areas? We even complete physical challenges while staying 6 feet apart! We might be socially distanced, but thankfully we can remain social. Interacting with peers is crucial to a child's development. CAS promotes an inclusive environment, prioritizing the health and safety of our children. Thank you for choosing CAS.

TUITION

- The December tuition payment is due by Monday, December 7.
- The January tuition payment is due by Monday, January 4.

TOYS FROM HOME

With the "toy season" approaching, we know that many children enjoy sharing their favorites. Unfortunately, for the health and safety of our children and staff, we must remember to keep these items at home. Hand-held video games are permitted at CAS only at certain times. Please check with your individual CAS site for this information.

DID YOU KNOW?

The Worthington School District has their own app. There are many helpful features including notifications, a school calendar, lunch menus, and access to Infinite Campus and My Payments Plus. You can customize it to receive notification specific to your child's school. Download it through google play or the app store.

FULL DAY CAS

The full day program is off to a great start at Slate Hill! Please remember to provide headphones for your children, along with their personal learning devices. Thank you for packing nut-free lunches! Don't forget, school meal kits are also available at no charge, and include both breakfast and lunch. Let your Site Director know if you would like to order. If you would like to enroll your child in our full day program, please contact us at info@careafterschool.com.

FROM ALL YOUR FRIENDS AT CAS, HAVE A SAFE AND HAPPY HOLIDAY SEASON

PROMOTING TOGETHERNESS:

FAMILY FUN NIGHT

FAMILY MEMORIES

December is a time of year that can bring multiple generations together. This year, let's preserve your family's memories and traditions. Here's a simple and fun way to do that, allowing everyone to stay 6 ft. apart! Use the questions below to learn more about your family history. You might choose to draw a question from a hat, giving everyone a chance to answer, or you can simply read from the list.

Don't forget to add your own questions too. Write down the answers or record each person answering, and create a family keepsake!

1. What is your first memory?
2. Who was/is your hero as a child?
3. What was/is your favorite thing to do as a child?
4. Who was/is your favorite teacher?
5. Who were/are some of your best friends?
6. What was your first job?
7. How did your parents meet?
8. Do you have any traditions for celebrating birthdays or holidays?
9. How did/do you celebrate New Year's Eve as a child?
10. What are 3 of your favorite songs?
11. Where is your favorite vacation spot?
12. Is there someplace you've never been, but always wanted to go?
13. Did you ever break a bone or get stitches?
14. Do you use any recipes that were passed down from older generations in your family?
15. What did/do you want to be when you grew/grow up?

What other questions would you like to add? Have fun sharing the history behind some of your favorite traditions!
