Thank you to everyone who took a moment to complete our Parent Survey. CAS values your input, and uses this information to enhance our program. Watch your site Parent Table for results coming soon!

## professional development

On Wednesday, all CAS staff members will participate in a workshop presented by Toya Spencer, Worthington's Director of Diversity, Equity and Inclusion. Care After School is committed to our families, and we want to ensure that each child in our care knows that they are safe, valued and respected.

## health/safety

CAS continues to follow all protocols to ensure the health of our children and staff. Being able to play outside is a healthy option, so please make sure your child is prepared for Ohio's unpredictable March weather. Snow/Rain boots or a change of shoes & socks, hats, gloves, and coats will allow your child to be able to participate in outdoor activities while at CAS.

# promoting togetherness: family fun night

## superheroes

What would a superhero be without a cape? Pillowcases, extra-large t-shirts, trash bags... what do you have around the house that can be used as a cape?

All superheroes need an emblem too! After everyone has chosen their superhero name, it's time to design an emblem. Grab some paper (or a paper plate) and let the super-creativity flow!

Let each family member choose a different super power, then discuss how this power could be used for good. Then discuss how an ordinary person can also do good in the world. Can your super-family make a difference? Donate some gently used items, make a card for someone special, pick up some trash you see on the ground – Everyone can be a superhero!

After saving the world, it's time to relax with a family movie. How about *The Incredibles* or *Lego Batman*! You have several options for superhero films. Have fun!

### The benefits of planning a weekly family night

**1. It makes family time a priority.**

Sometimes all the things on our to-do lists prevent us from just slowing down and enjoying our kids. Planning a weekly family night is an easy way to become more intentional and enjoy more quality time with your family.

**2. It makes children feel connected.**

Kids love family night not only because they are fun but also because it brings them closer to their parents. A family night is a perfect opportunity to have fun together and connect!

**3. Family nights will become precious memories.**

Kids grow up so fast! A weekly family night is a tradition that will bring you many happy moments that will become precious memories as the kids grow up.
