

CAS assumes no responsibility for the actions of employees beyond CAS program hours. If an employee chooses to accept employment with CAS families (for child care, transportation, or other services), outside of program hours, employees must submit this form, signed by the parent, releasing CAS from liability.

### **PERSONAL CHILD CARE RELEASE OF LIABILITY**

As a condition of continued enrollment of my child(ren) in Care After School (CAS), I understand and agree that if I employ a CAS staff member for personal child care services, CAS is not responsible in any way for the actions of its staff members beyond CAS program hours or off CAS premises. I agree to release and hold CAS harmless for any injury or damage, caused by negligence or otherwise, that may occur beyond CAS program hours or off CAS premises. I further understand that it is my sole responsibility to determine whether a person has the skills and attributes to properly attend to my child(ren), and I understand and agree that I may not rely in any way upon CAS to make that determination.
